At BLU we are striving to create a world class destination restaurant. As such, our wine program seeks to feature not only iconic wines from the entire world, but also properties next door, or nearby to a name brand and over marketed classic. We would like to promote dialogue, experimentation, and an educational exchange.

As our program grows, will diligently hunt for hidden gems, new appellations and regions, maverick winemakers, and second label or secondary varietals from tried-and-true vintners to bolster our collection of classic labels and historical vintages.
